7:00p – TNS - MCC

Golf Saturday – 2PM-6PM Memphis Country Club

Contact Mistina Pannell (901) 522-2621

The **Tennessee Neurosurgical Society** exists to represent the interests of all neurosurgeons in the state of Tennessee. Our goal is to provide for education and collegiality between members and to provide a cohesive voice representing the neurosurgical perspective in political and public forums for issues that affect our region.

Upon completion of this program participants should be able to:

- Identify and diagnose pediatric trauma and determine an appropriate treatment plan based on current pediatric treatment guidelines;
- Discuss the appropriate use of stereotactic radiosurgery (Cyber-knife) when treatment of intracranial gliomas is necessary;
- Discuss the latest technological changes for minimally invasive spine surgery;
- Evaluate and determine an appropriate treatment plan for pituitary adenomas and tumors of the pterygoid region.
- List and apply the current clinical updates of endovascular neurosurgery.

Saturday - August 21, 2010
