

To all of our Neurosurgery Physicians/NP/PA's/Administrators/Managers of Neuro Clinics:

We would like to invite you to attend our Tennessee Neurosurgical Society Meeting, August 14-16, 2015 in Nashville, TN this year. As always, your participation and support help us to educate new residents, provide us with an avenue to introduce new physicians to both you and our Tennessee Neurosurgical Society.

A chance to get together with old friends and colleagues in the beautiful city of Nashville and enjoy the weekend. Also, meet some of those new docs and residents that usually show up and make them friends as well. New contacts and new friends are always important.

Maybe a bike ride, a game of golf, walk along riverfront and hear some new sounds on Music Row. Check out the new clubs, cross the river to explore new restaurants, museums, botanic gardens, etc....lots to see and do in Nashville during your free time.

You are invited to come and enjoy our reception Friday evening 6:30-8:30 PM; wonderful food and drinks at the Sheraton Downtown hotel after traveling or working all day will give you a chance to relax before our meeting starts. We will be sending our brochure and our agenda (***this will be sent a little later on in the year closer to the meeting***) for you to review and see who is speaking. We hope you will be one of our speakers as well!!! If you have a paper or talk you would like to present, just contact Lola Chambless MD at Vanderbilt, she is our 2014-15 TNS President this year and can be reached at email lola.chambless@Vanderbilt.Edu or the address below:

Cheryl Page, Assistant to Lola B. Chambless, M.D.
Department of Neurological Surgery
T-4224 MCN
Vanderbilt Medical Center
Nashville, TN 37232
Phone: 615-322-6638
Fax: 615-343-8104
Cheryl.page@vanderbilt.edu
